

Workshop

Computational Methods

Thursday, April 26

Universität Konstanz G 227a

- | | |
|---------------|---|
| 15:15 – 16:00 | Anastasija Teterewa, Universität St. Gallen
The Realized Hierarchical Archimedean Copula in Risk Modelling |
| 16:00 – 16:45 | Tatjana Petrov, Universität Konstanz
Formal Verification of Biological Systems |
| 16:45 – 17:15 | Coffee Break in F208 |
| 17:15 – 18:00 | Chen Huang, Universität St. Gallen
Inference in System of High-Dimensional Sparse Regression with
Dependent Data |
| 18:00 – 18:45 | Jana Marečková, Universität Konstanz
Flexible Aggregation of Categorical Regressors for Estimating
Conditional Mean Functions |
