University of Konstanz

Moritz Kuhn

University of Bonn

12.00 h **Final Discussion and Farewells**

12.30 h **Lunch**

The Politics of Inequality is a Cluster of Excellence at the University of Konstanz within the framework of the Excellence Strategy of the federal and state governments.

Our researchers investigate inequality in areas such as education, employment, and political rights. We study how people perceive these inequalities, how they lead to collective mobilization, and how political actors respond to them.
